

DONATION INFORMATION

***Please only send quilt tops that meet our size requirements.** Tops that are too small will be put aside for volunteers to alter, as time and money allows.

***Please don't donate used quilts or ANY item in need of repair.**

***Use new, 100% cotton fabric only.** Quality flannel is also accepted.

NO seasonal prints* Quilts that are gifted are used year-round.

***Don't sew selvages into your quilt top.**

***Please press your seams.**

***Trim loose threads and remove all pins.**

***We prefer machine binding for quilts** (this holds up better than hand binding when being washed a ton.)

***If you aren't bordering your quilt top** - Please make sure your end pieces aren't coming apart. (Use a 1/4" to scant 1/4" seams allowance to top stitch, if needed.)

Themes and Patterns

These quilts are given to children and teens with serious health problems or who are dealing with abuse and trauma. We want the quilts they receive to be loved and to last for years. Please use ideas, patterns and/or fabrics that they will love.
